All children need the unconditional love of Christ. That is why at The Scott Mission, we provide a unique summer camp experience. We provide an escape for children from low-income families in Toronto. At our camp property in Caledon, children are able to experience the love of Christ through both words and actions. It allows children to develop friendships with other campers and with counsellors. We offer children creative and new experiences and most importantly, we provide children the opportunity to meet Christ.

Every summer we employ 40 staff to serve at the Scott Mission Camp. The individuals that we hire need to be serious about serving the Lord and serious about providing positive camp experiences for our guests. Staff should be ready to experience new things—anything from camping outdoors, to learning a new dance from a camper. We are looking for staff who are desiring a deeper relationship with Christ and a calling to serve in a summer camp ministry.
